For the construction of the
CE drain and providing CC
slab at Balaji Scan Center to park in
Bagalagunte Ward no. 14,

A close-up photograph of a gravelly, uneven ground surface. The ground is composed of numerous small, light-colored stones and clumps of dark, moist soil. The texture is rough and granular. In the upper right corner, a portion of a wooden structure, possibly a form or a fence, is visible. The overall color palette is dominated by shades of grey, brown, and tan.
